Database for the Exchange of Type Approval documentation
Promoting DETA and the usage of the system

Information for the competent authorities and manufacturers
  • about the state of play,
  • future developments and
  • the advantages and possibilities of the system
Is the secure internet database to circulate approvals and its attachments,
as required to be established by the UNECE, according to the 1958 Agreement Revision 3.

More information also at

• DETA is still under development but since May 2019 ready to be used for its base purpose:
  → exchanging UNECE approval documentation between the Contracting Parties to the 1958 Agreement.

• 23 Contracting Parties have notified their DETA Focal Point
• More than 400 approvals uploaded
• 3 Manufacturer have access to DETA (their own approvals)
DETA - benefit

Easy and convenient exchange / storage of

→ type approval and additional documentation / information

→ urgent and quick information on
  → withdrawn certificates
  → non-compliant or hazardous products
  → falsified products and approval documentation
  → recalls
## Rights of access

**Explanation:**

- **R** = read
- **W** = read + write + delete

### List of approvals

- CERT E4*30R02/20*97070*01 (1,53 MB)
- IF E4*30R02/20*97070*01 (192 KB)
- TR E4*30R02/20*97070*01 (88 KB)

### Documents

State of play - Developments

- **implementation of DoC**
  ('DoC' is the Declaration of Conformance certifying to which UN Regulations and versions a single vehicle is approved at the time of its production.)
  
  → expected to be in production 2020 Q4

- **implementation of UI**
  ('UI' is the Unique Identifier number assigned to an approval uploaded to DETA. A UI may replace the traditional E marking)

- **automated upload functionality**
  (for automated upload of type approvals by the approval authorities → essential functionality for TAA!)
  
  → 1\(^{st}\) workshop in January 2020
How to join DETA – only a few steps

1. Notification of the ‘DETA Focal Point’ to UNECE Secretariat
   → by the heads of delegation of the CP’s at WP.29 (by e-mail: francois.guichard@un.org).

2. DETA Administrator will contact the DETA Focal Point for the user name and password to access DETA.
   → The ‘DETA Focal Point’ manage the access and user accounts within its CP or organisation.

Manufacturers should contact their TAA for forwarding their request for access to the UNECE Secretariat.
Thank you for your attention and
Please forward this information to your approval authority!
