Note: The text reproduced below was adopted by the Administrative Committee (AC.1) of the amended 1958 Agreement at its fifth session, following the recommendation by the Working Party at its one-hundred-and-eleventh session. It is based on document TRANS/WP.29/R.771, not amended (TRANS/WP.29/534, paras. 64 and 126).
Paragraph 16.2.1., amend to read:

"16.2.1. All two-wheeled vehicles with a maximum design speed not exceeding 50 km/h must be fitted with at least one rear-view mirror. If one only, this rear-view mirror must be fitted ....." 

Paragraph 16.2.2., amend to read:

"16.2.2. All two-wheeled vehicles with a maximum design speed exceeding 50 km/h and all three-wheeled vehicles must be fitted with two rear-view mirrors, ....."

Annex 2, item 3, amend to read:

"3. Vehicle maximum design speed: \( \leq 50 \text{ km/h} \) / > 50 km/h"
