Total households (1000)

Total includes unknown.

a/ Figures estimated from a 1999 survey of 3600 households.

b/ Data refer to dwellings and not households.

c/ Based on 1996 Census (20% sample data).

d/ End of the year data.

e/ Breakdown of data not available.

f/ Rooms include only kitchens that are more than 12m².

g/ Data as at 01 Jan 1998.

h/ Housekeeping unit concept.

i/ 4 rooms and more.

j/ 5 rooms and more.

k/ Household-dwelling unit concept.

l/ Data refer to households in conventional dwellings only. The kitchen is not counted as a room.

m/ Data refer to number of persons.
