

UNECE GAS CENTRE ACTIVITIES 2005

- Final Gas Centre meeting in 2005 on 12-14 December 2005 as planned
- In December 2005 publication of the Gas Centre Report on Company and Market Structure
- Assessment procedure 2005 on Gas Centre yearly programme. Very positive. Executive Board will decide on conclusions in January 2006:
 - Same frequency of meetings during the coming years
 - New ad hoc Task Force on the gas infrastructure (high pressure pipelines, LNG), starting in the beginning of 2006
 - High-Level Conference on LNG (Norway or France)

At the moment, stable membership
