

WP.1 IDP DISCUSSION

Risk Management Issues

ESSENTIAL QUESTIONS

What are the minimum requirements considered for promoting road safety?

Is there a process for governments to verify this information?

How can an organization prove they are qualified? Is there a standard application procedure?

How does an organization prove their knowledge of the present Convention?

ESSENTIAL QUESTIONS

How does changing the format of a domestic driver's permit, qualify an individual to drive internationally?

What measures are in place to safeguard the accuracy and security of the electronic register data?

How will the system handle case's where a domestic driving permit is reinstated after being suspended or canceled?

Shouldn't UN services be multiple and open-sourced? Isn't the promotion of a singular for-pay service provider against complete inclusivity of the UN spirit?
