

# eTIR International System projects status

WP.30 Working Party on Customs Questions  
affecting Transport (165th session)  
TIR secretariat – Geneva

## Conformance Tests

- Pakistan: The Customs Authority of Pakistan has successfully completed their conformance tests.
- Tunisia: The Customs Authority of Tunisia is currently working on phase-2 of the conformance tests:
  - Working on refining the accompanying document.
  - Enhancing the retry mechanism.

## Interconnection projects

- Received draft reports on the gap analysis of Customs Systems and eTIR International System from experts from Kazakhstan and Kyrgyzstan:
  - Consultations were held between the experts and the TIR Secretariat where potential solutions were identified.
  - The experts are now in the process of finalizing the reports for their respective countries.
- For the gap analysis of Customs System of Tajikistan and eTIR International System an experts was proposed :
  - A meeting is planned next week.
