

TASK FORCE ON EMERGING ISSUES IN SOCIAL STATISTICS

Terms of Reference

Extract from the Report of the September 2005 Joint UNECE/Eurostat/OECD Meeting of Directors of Social Statistics, ECE/CES/BUR/2005/20, p.5, point 4:

“The meeting proposed to establish a task force initially consisting of Canada (chair), Australia, representatives of the Eurostat Strategic Development Group, Italy, UNECE and the United States to:

- identify and develop concrete proposals to examine emerging issues in social statistics, including measurement concepts, common questions / modules and modalities to achieve them (including prototyping and/or testing strategies) and organize the discussion at the next meeting;
- develop the proposed new Terms of Reference for the task force on families and households;
- propose date, organization and frequency of the meetings.”
