Governance

Secretariat Presentation of Proposals

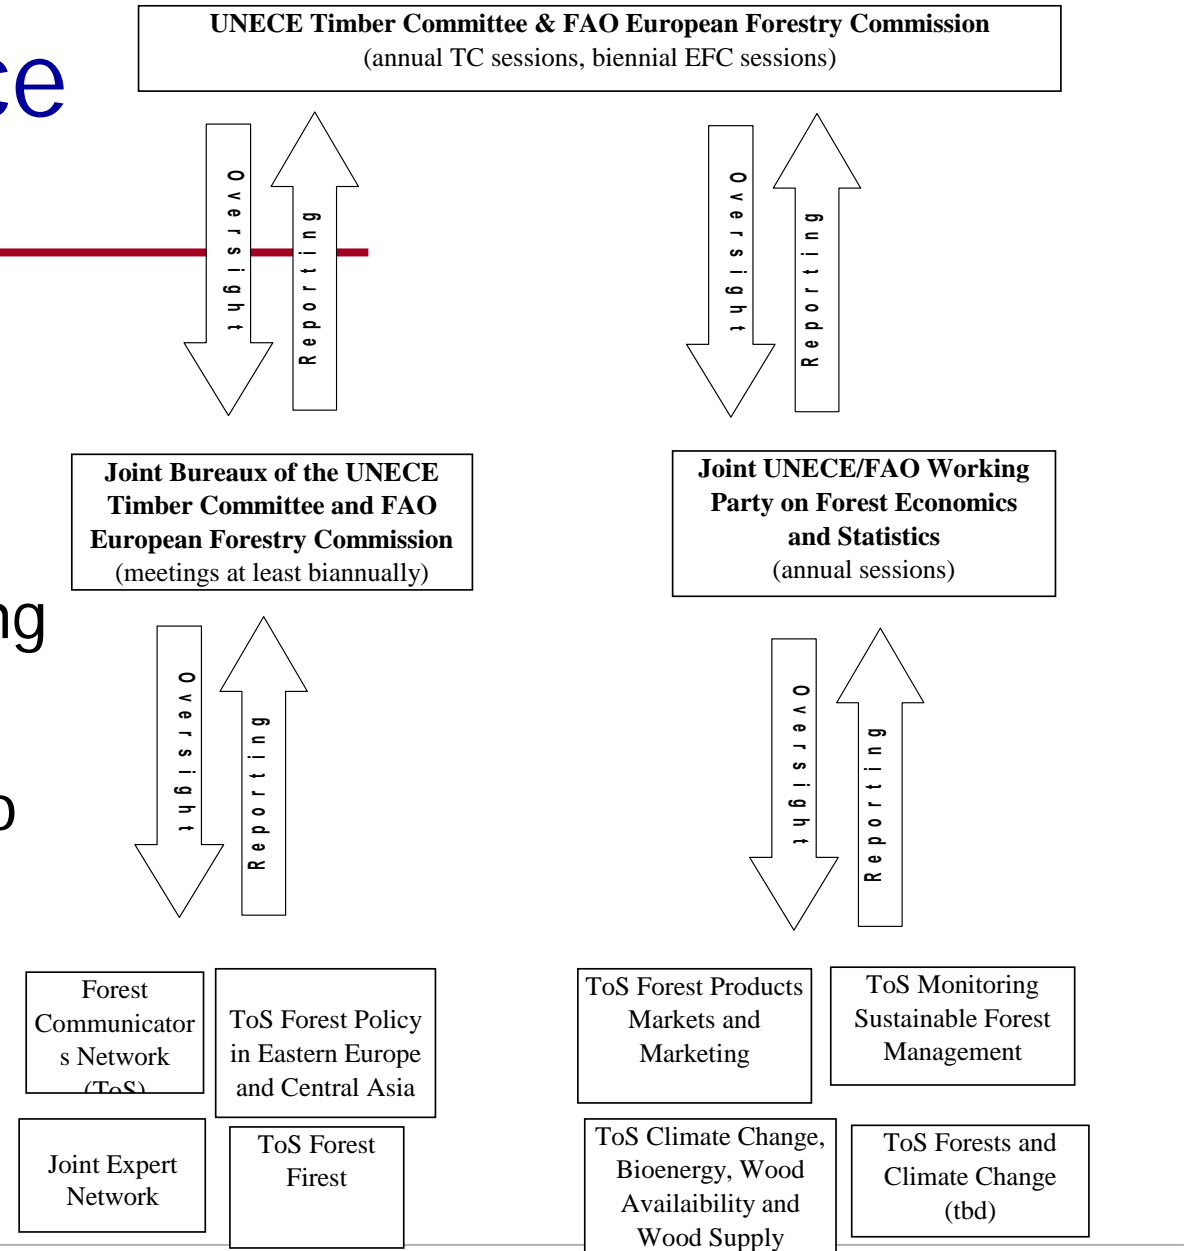

UNECE/FAO Timber Section

1. Governance structure

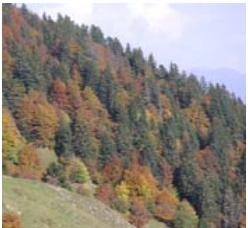

- Oversight through TC, EFC, joint bureaux, and Working Party
- Annual reporting to joint bureaux or WP: new format

2. UNECE Timber Committee

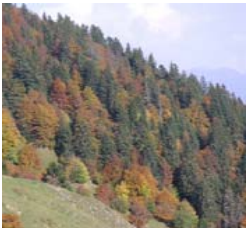

- **Proposed Revised ToR**

- Objective: „to strengthen the forest sector and its contribution to sustainable development throughout the UNECE region, through monitoring, analysis, capacity building and the provision of a forum for discussion, taking into account the changing policy environment, notably as regards climate change and bioenergy. The Committee focuses on the sound and legal use of forest products, for raw material or energy, and on forest services.”

2. UNECE/FAO Joint Working Party on Forest Economics and Statistics

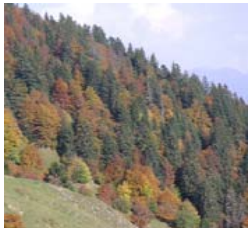

- **Revised ToR, proposed by the Working Party**
(30th session, April 2008)

- Guidance on Work Areas 1,2,3 and monitoring and analysis of policies and institutions (part of Work Area 5)
- Data quality
- Wood energy

3. FAO European Forestry Commission

- **Mandate from 1947 - Purpose:** *„to advise on formulation of forest policy and to review and coordinate its implementation at the regional level; to exchange information and, generally, through subsidiary bodies, advise on suitable practices and action with regard to technical and economic problems, and to make appropriate recommendations in relation to the foregoing.“*
- **Increasing membership:** *„open to all member nations and associate members whose territories are situated wholly or partly in the European region“*
