..... The Secretary-General of the United Nations, acting in his capacity as depositary and with reference to depositary notification C.N.282.2000.TREATIES-1 of 15 May 2000, announcing the opening for signature of the above Agreement (authentic in the English, French, German and Russian languages for the text of the Agreement proper, and in the French language for the annexed Regulations), has the honour to transmit herewith two certified true copies of the Agreement established on 18 July 2000, the procès-verbal of rectification of 22 January 2001 of the original of the Agreement and the certified true copies (C.N.28.2001.TREATIES-1 of 22 January 2001), and the English, German and Russian translations of the annexed Regulations established on 18 July 2001.

The Secretary-General takes this opportunity to call the attention of the competent authorities to the fact that certified true copies are established specifically for the purpose of enabling the Governments concerned to complete the internal procedures of ratification, acceptance, approval or accession. For budgetary reasons, certified true copies are printed in limited numbers, and it is expected that any additional copies that may be required could be reproduced by the authorities concerned themselves on the basis of the two copies accompanying the present notification.
