

Multilateral Agreement M 185

Under paragraph 1.5.1 of Annex A of ADR, concerning the application of the derogation of 1.1.4.2.1 to the carriage of substances of Class 9 which are not subject to the IMDG Code or to the ICAO Technical Instructions in a transport chain including maritime or air carriage.

By derogation from the last sentence of 1.1.4.2.1, when substances of Class 9 which are not subject to the IMDG Code or the ICAO Technical Instructions are carried in a transport chain including maritime or air carriage, packages, containers, portable tanks and tank-containers containing such substances need not meet the requirements for packing, mixed packing, marking, labelling of packages or placarding of ADR.

For empty, uncleaned, portable tanks and tank-containers, this requirement shall apply up to and including the subsequent transfer to a cleaning station.

In addition to the information prescribed, the consignor shall enter in the transport document:

"Carriage under the terms of section 1.5.1 of ADR (M185)"

This agreement shall be valid until 30th June 2009 for the carriage on the territories of those ADR contracting parties signatory to this agreement. If it is revoked before then by one of the signatories it shall remain valid until the above mentioned date only for carriage on the territories of those ADR Contracting parties signatory to this agreement which have not revoked it.
