15 March 2007

Dear Sir/Madam,

I am pleased to inform you that the UNECE Executive Committee, at its thirteenth session, held on 7 March 2007, has endorsed the decision of the Inland Transport Committee to establish a Multidisciplinary Group of Experts on Inland Transport Security and approved its Terms of Reference. ([http://www.unece.org/commission/EXCOM/2007/EXCOM\\_March\\_07\\_index.htm](http://www.unece.org/commission/EXCOM/2007/EXCOM_March_07_index.htm))

I would like to invite you to nominate a focal point for this Group of Experts. According to its terms of reference, the Expert Group should be composed of experts in transport security matters appointed by Member States of the UNECE as well as representatives of relevant international governmental and non-governmental organizations.

The first meeting of the Group of Experts is tentatively scheduled to take place on 24 and 25 May 2007 at the Palais des Nations in Geneva. A provisional agenda for the meeting will be prepared as soon as possible.

You may wish to note that the issues to be considered by the Group of Experts, depending on the work program to be decided at its first session, could include several fields. It would, therefore, be desirable that the nominee has a good understanding of a broad range of inland transport security issues and/or can draw on expertise from various ministries and agencies. As appropriate, other representatives with specific expertise in certain fields of inland transport security might also participate in the relevant sessions of the Group of Experts.

I would appreciate if you could provide the contact details, including e-mail, of your focal point by 30 March 2007 to Mr. Robert Nowak of my Division, tel. +41 (0) 22 917 12 67, fax +41 917 00 39, e-mail: Robert.Nowak@unece.org.

Yours sincerely,
