Southeast European Cooperative Initiative (SECI)

REGIONAL ROAD TRANSPORT COMMITTEE (RRTC)

Third session

(Heraklion (Crete), 4 to 6 October 2000,

agenda item 5 (a))

Identification of Roads Servicing International Traffic (E-Roads) **(in accordance with Article 6 of the MoU)**

Prepared by Greece in cooperation with the UN/ECE secretariat

In accordance with the decisions taken at the first and second sessions of the Regional Road Transport Committee, the UN/ECE secretariat has prepared a draft Protocol to the Memorandum of Understanding (MoU) on the Facilitation of International Road Transport of Goods in the SECI region on the roads servicing international traffic (E-roads) for consideration and adoption by the Committee.

The present document contains the draft protocol to the MoU as provided for in Article 6 of the MoU identifying those sections of the E-Road Network on which lorries in international transport complying with the relevant regulations of the European Community on maximum dimensions and weights are allowed without requiring payment of charges for excess weight and dimensions.

In accordance with Article 9 of the MoU and in light of the decision taken at the first session of the Regional Road Transport Committee in Alexandroupolis (para. 22 of the report) the UN/ECE secretariat is requested to make the list of E-Roads, as provided for in paragraph 1 of this Protocol, available on its website (http://www.unece.org/trans/new_tir/seci/intro.htm).

DRAFT

Protocol
to the Memorandum of Understanding (MoU)
on the Facilitation of International Road Transport of Goods in the SECI Region
signed by Ministers responsible for Transport on 28 April 1999 at Athens

on the implementation of Article 6 of the MoU on
Roads Servicing International Traffic (E-Roads)

1. The Parties, with a view to implementing Article 6 of the Memorandum of Understanding (MoU) agree on the list given below of those sections of the E-Road network in the SECI-region on which lorries in international transport complying with the relevant regulations of the European Community on maximum dimensions and weights are allowed without requiring payment of charges for excess weights and dimensions.
2. The Parties shall strive to upgrade those sections not yet in line with the above mentioned regulations and shall inform the Regional Road Transport Committee accordingly.
3. The Regional Road Transport Committee shall, in accordance with Article 6, paragraph 2 of the MoU, consider, adopt and modify, if necessary, the list of E-Road sections given below on the basis of proposals from the Parties.
4. This Protocol shall enter into force on the date of its adoption by the Regional Road Transport Committee.
