Dear Ms Planinšič

RE: HINKLEY POINT C NEW NUCLEAR POWER STATION (“HPC”)

1. Further to my letter of 19 June 2014, I am now enclosing a copy of the judgment of the Court of Appeal in England and Wales in respect of the claim for judicial review by An Taisce of the Secretary of State’s decision to grant development consent for HPC. You will see the Court dismissed the claim. An Taisce lodged an appeal to the United Kingdom Supreme Court on 19 August 2014.
2. I hope this information assists the Committee in its continuing consideration of this issue. We would be happy to provide any further information which the Committee may require.

Yours sincerely,

Giles Scott
