## Economic Commission for Europe

### Inland Transport Committee

#### Working Party on Transport Statistics

##### Sixty-fourth session

Geneva, 19–21 June 2013

Item 3 (b) of the provisional agenda

##### Data collection, methodological development and harmonization of transport statistics

## Glossary for Transport Statistics

### Note by the secretariat

#### I. Mandate

1. The Working Party on Transport Statistics (WP.6), at its sixty-third session, decided to have a standing agenda item dealing with proposals for the revision of definitions and insertion of new definitions in the Glossary (ECE/TRANS/WP.6/163, para. 12).

#### II. Proposal

2. The secretariat proposes the following amendments to the chapter on inland waterways.

3. C.I-01 Waterway

*For “seagoing inland waterway vessels” read “sea-river vessels”.*

4. C.I-02 Navigable inland waterway

*For “inland waterway vessels” read “inland navigation vessels”.*

5. C.II.A-04 Fluvio-maritime vessel

*For “Fluvio-maritime vessel” read “Sea-river vessel”.*

6. C.II.A-09 Amend to read:

“Self-propelled ~~barge~~-vessel

Any powered inland waterways freight vessel, other than self-propelled tanker barges.

Towed barges, pushed barges and pushed-towed barges which have an auxiliary engine only must be regarded as towed barges, pushed barges ~~or pushed-towed barges~~ as the case may be. The fact that a self-propelled barge can be used for towing does not change its nature.”

7. C.II.A-10 Self-propelled pusher barge

*For “Self-propelled pusher barge” read “Self-propelled pusher”*

8. C.II.A-11 Dumb barge

*For “Dumb barge” read “Towed barge”*

9. C.II.A-13 Pushed-towed barge

To be deleted.

If the barge is not specially built to be pushed (see C.II.A.12), it should be considered as “towed barge”, although both can be pushed and towed.

10. C.II.A-14 Self-propelled tanker barge

*For “Self-propelled tanker barge” read “Self-propelled tanker”*

11. C.II.A-15 Self-propelled pusher tanker barge

*For “Self-propelled pusher tanker barge” read “Self-propelled pusher tanker”*

12. C.II.A-16 Dumb tanker barge

*For “Dumb tanker barge” read “Towed tanker barge”.*

13. C.II.A-18 Pushed-towed tanker barge

To be deleted.

14. C.II.A-19 Other goods carrying vessel

*For “Other goods carrying vessel” read “Other cargo carrying vessel”.*

15. C.II.A-20 Amend to read:

“Tug

Powered vessel developing not less than 37 kW and designed for the towing of ~~dumb barges, pushed-towed barges,~~ and rafts, but not for the carriage of ~~goods~~ cargo.

Port and sea tugs are excluded.”

16. C.II.A-21 Amend to read:

“Pusher vessel

Powered vessel developing not less than 37 kW and designed or fitted for ~~the~~ pushing of pushed ~~or pushed-towed~~ barges but not for the carriage of ~~goods~~ cargo.

Port pusher vessels are excluded.”

17. C.II.A-22 Pusher tug

To be deleted.

18. C.IV-06 Amend to read:  
“Inland waterway convoy  
One or more non-powered IWT vessels which are towed or pushed by one or more powered IWT vessels, [including side-by-side formations](#).”
19. C.V-07 Fluvio-maritime transport  
*For “Fluvio-maritime transport” read “Sea-river transport”.*
