

UNECE

Transport-related SDGs

Working Party on Transport Statistics

Geneva, 12-14 June 2018

TRANSPORT

- **UNECE partner agency for 3 transport related SDG targets**
 - *3.6 By 2020, halve the number of global deaths and injuries from road traffic accidents*
 - *9.1 Develop quality, reliable, sustainable and resilient infrastructure, including regional and transborder infrastructure, to support economic development and human well-being, with a focus on affordable and equitable access for all*
 - *11.2 By 2030, provide access to safe, affordable, accessible and sustainable transport systems for all, improving road safety, notably by expanding public transport, with special attention to the needs of those in vulnerable situations, women, children, persons with disabilities and older persons*
- **Secretariat data papers highlighting statistical production and exploring linkages**

SDG targets and indicators + additional road safety targets

3.6 By 2020, halve the number of global deaths and injuries from road traffic accidents

- 3.6.1 Death rate due to road traffic injuries
 - Tier 1
 - custodian agency – WHO, other agencies involved: UNECE
- 12 additional global road safety performance targets
 - Consensus reached by WHO member States in November 2017
 - Indicators under development
 - More information at www.who.int/violence_injury_prevention/road_traffic/road-safety-targets/en

SDG targets and indicators – transport infrastructure

9.1 Develop quality, reliable, sustainable and resilient infrastructure, including regional and transborder infrastructure, to support economic development and human well-being, with a focus on affordable and equitable access for all

- 9.1.1 Proportion of the rural population who live within 2 km of an all-season road
 - Tier 3
 - custodian agency – World Bank, other agencies involved: UNEP, UNECE
 - more information: suggested methodology exists but not tested
- 9.1.2 Passenger and freight volumes, by mode of transport
 - Tier 1
 - custodian agency – ICAO, ITF-OECD, other agencies involved: UPU, UNEP, UNECE

SDG targets and indicators – transport access

11.2 By 2030, provide access to safe, affordable, accessible and sustainable transport systems for all, improving road safety, notably by expanding public transport, with special attention to the needs of those in vulnerable situations, women, children, persons with disabilities and older persons

- 11.2.1 Proportion of the population that has convenient access to public transport, by sex, age and persons with disabilities
 - Tier 2
 - custodian agency – UN-Habitat, other agencies involved: UNEP, UNECE
 - more information: City Prosperity Initiative, UN-Habitat has developed the methodology to aggregate the information at national, regional and global levels

Assisting countries to monitor SDGs

UNECE

- **New series of articles on transport related SDGs**
 - Examples of how data from UNECE database directly monitor progress on transport-related goals
 - Insight into progress on other goals
 - Indicators combined to show relationships at detailed levels
- **Published**
 - Road Safety
- **Future**
 - Bus Statistics
 - Passenger kilometer trends
 - Freight kilometer trends
 - Safety by mode
