a) Name of the issue (mentioned in question 2.5 above)	The package"Right to the Future" c) Addressing the violence, exploitation and abuse of children, adolescents and youth, including sexual exploitation and commercial sexual exploitation
b) Achievements (cite the reports)	<p>Periodic survey by the operator "Public CONSAP" to which the Department of youth entrusted the administration of funds</p> <p>Through the ratification of the Council of Europe Convention on the protection of children against sexual exploitation and sexual abuse, new offenses has been introduced in the Criminal Code, such as solicitation of a minor and incitement to practice pedophilia and child pornography, the penalties for certain sexual crimes against children of particular gravity have been increased. Furthermore, a specific definition of child pornography has been introduced in the Criminal Code.</p> <p>Since 2009, every years a significant number of schools (about 110 schools in the last edition in 2011), are involved in the "Week against Violence".</p>

	<p>Through the official launch of the Council of Europe campaign “One in five”, the Italian Government contributed to support the process of signature and ratification of the Council of Europe Convention on the protection of minors against sexual abuse and exploitation (Lanzarote Convention) and to raise awareness of this phenomenon.</p> <p>Publication of a manual describing a multidisciplinary intervention model to standardize the operational procedures necessary to identify and provide assistance to the children depicted in child pornography</p> <p>Financing of assistance projects for child victims of sexual abuse and exploitation that are characterized by a strong appetite for creating a connection between all the institutional and operative resources at the local level.</p> <p>Publication of a “Strategic Agenda”, a policy paper drafted by the Advisory Board of the Safer Internet Center, which is composed of about 50 organizations including institutions, scientific societies, media, ICT and mobile phone industries, associations and universities working for the online protection of children and adolescents.</p> <p>As regards the Emergency number 114, during the period may 2010 – april 2011, this Service managed 1574 emergency cases involving children and adolescences. These cases came in particular from Regions Lombardia, Lazio and Campania. Most of the minors involved were under the age of 10. One in five had foreign nationality. In almost 70% of calls to the emergency situation has occurred at home and the parents resulted the main perpetrators. In about 40% of cases the situations involved abuses and violence: this category includes both forms of violence to which the child is the direct victim (psychological abuse, physical abuse, illness care, sexual abuse), and situations of violence / conflicts between members of the family of which the child / adolescent is witness. Among the types of violence there was an increase in the number of reports related to physical and psychological abuse, which appear to be the types of violence against minors most widespread.</p>
