The secretariat proposes that the Committee considers, after agenda items 1 and 2, the formal adoption of document ECE/TRANS/WP.30/AC.2/2020/7 of agenda item 5 (c) “Accepted amendment proposals pending formal adoption” as first agenda item before pursuing its regular conduct of business.

The Administrative Committee will be informed about the audit certificate for the year 2019 and, in particular, that the number of TIR Carnets distributed in 2019 (855,100) was lower than the forecast at the end of 2018 (973,525) and that, as a consequence, the books of IRU are now showing an internal deficit of SwF 134,808.73. Consequently, it is therefore proposed that the Committee decides to reflect this amount in the amount per TIR Carnet in 2021, thus clearing the above-mentioned internal deficit.
