II. Annotations

1. Adoption of the agenda

In accordance with the Commission's Rules of Procedure, the first item on the provisional agenda is its adoption.

Documentation

Informal document GE.1 No. 1 (2017)

2. Election of officers

In line with the UNECE Rules of Procedure and established practice, the informal Ad hoc Expert Group on Conceptual and Technical Aspects of Computerization of the TIR Procedure (hereafter referred to as: 'Expert Group') may wish to elect a Chair and, possibly, a Vice-Chair to steer its work in 2017.

3. New information and communication technology developments relevant to the computerization of the TIR Procedure

Further to good experiences at previous sessions, experts may wish to present recent information and communication technology (ICT) developments relevant to the computerization of the TIR Procedure or provide an update of previous presentations. Participants interested in sharing their experiences with the Expert Group are invited to contact the secretariat at their earliest convenience but not later than 30 April 2017.

4. eTIR pilot projects

(a) UNECE-IRU eTIR pilot project between Iran and Turkey

The Expert Group may wish to take note of the results of the UNECE-IRU eTIR pilot project between Iran and Turkey, as presented in the project's final report contained in Informal document GE.1 No. 2 (2017), and discuss its implications for the computerization of the TIR procedure.

Documentation

Informal document GE.1 No. 2 (2017)

(b) eTIR pilot project between Georgia and Turkey

The Expert Group may wish to take note of the status of the eTIR pilot project between Georgia and Turkey and discuss its implications for the computerization of the TIR procedure.

5. Findings of the Group of Experts on Legal Aspects of the Computerization of the TIR Procedure

The Expert Group may wish to take note of the activities and findings of the Group of Experts on Legal Aspects of the Computerization of the TIR Procedure (GE.2), as

presented in informal document GE.1 No. 3 (2017), and discuss their possible implications on its work.

Documentation

Informal document GE.1 No. 3 (2017)

6. eTIR conceptual, functional and technical documentation

(a) Contributions of the network of eTIR focal points

The Expert Group may wish to be informed about the status and the latest activities of the network of eTIR focal points, as summarized in Informal document GE.1 No. 4 (2017).

Documentation

Informal document GE.1 No. 4 (2017)

(b) Version 4.2 of the eTIR conceptual, functional and technical documentation

At its twenty-fifth session, the Expert Group requested the secretariat to prepare separate documents for each chapter of the eTIR Reference Model. To this end, also considering the advances in the work of GE.2 and the apparent need to separate conceptual, functional and technical documentation for the sake of establishing the adequate amendment procedures in the legal framework, the secretariat prepared Informal document GE.1 No. 5 (2017), Informal document GE.1 No. 6 (2017), Informal document GE.1 No. 7 (2017) and Informal document GE.1 No. 8 (2017) containing respectively the “introduction”, the “eTIR concepts”, the “functional specifications” and “technical specifications”. The Expert Group may wish to consider the new documentation, which also encompasses the changes requested by the Expert Group at its previous session, and advise the secretariat on any further improvements that would be necessary.

Documentation

Informal document GE.1 No. 5 (2017), Informal document GE.1 No. 6 (2017), Informal document GE.1 No. 7 (2017) and Informal document GE.1 No. 8 (2017)

(c) Amendments

The Expert Group may wish to consider the amendments to the eTIR conceptual, functional and technical documentation presented in Informal document GE.1 No. 9 (2017) as well as those derived from the discussions on other agenda items.

Documentation

Informal document GE.1 No. 9 (2017)

7. Other business

(a) World Customs Organization activities

The Expert Group may wish to be informed about the latest developments regarding the WCO transit data model, the eATA project, the Globally Networked Customs (GNC) project and other activities of interest.

(b) Other activities of interest

The Expert Group may wish to be informed about other activities of interest for the computerization of the TIR procedure.

(c) **Date and place of next session**

The Expert Group may wish to decide on a possible date and venue for its next session.

7. Adoption of the report

After the session, the secretariat will issue a report, which will be submitted for endorsement to WP.30.
