TANKS

**Belgian comments to document TRANS/WP.15/AC.1/2005/16**

Belgium agrees with the content of the UIC proposal in TRANS/WP.15/AC.1/2005/16, but suggests the following text, which has exactly the same meaning :

“When they stay technically relevant, these special requirements are not only applicable to the portable tanks specified in column (10), but also to the portable tanks that may be used according to the table in 4.2.5.2.5.”.

and ;

“When they stay technically relevant, these special requirements are not only applicable to the tanks specified in column (12), but also to the tanks that may be used according to the hierarchy in 4.3.3.1.2 and 4.3.4.1.2.”.
