

Transmitted by the Expert from the United States of America Informal Document No. GRSP-41-13  
(41<sup>st</sup> GRSP, 7-11 May 2007,  
agenda item 4.1.1.)

#### DOOR LOCK GTR No. 1

At the March session of WP.29, the United States of America (USA) submitted a proposal to amend gtr No. 1 based on our response to public comments received during the incorporation of gtr No. 1 into our own national standards (ECE/TRANS/WP29/2007/40). The USA requests to informally discuss this document at this session of GRSP.
