**Proposal for Corrigendum 1 ~~amendment~~ to the 05 series of amendments to
Regulation No. 16**

A: Proposal

15.2.17. : Insert new paragraph

15.2.17. Until the United Nations Secretary-General is notified otherwise, Japan declares that in relation to the installation of safety-belts and restraint systems, Japan will only be bound by the obligations of the Agreement to which this Regulation is annexed with respect to vehicles of categories M, N₂, N₃, O, L₂, L₄, L₅, L₆, L₇ and T.

B: Justification

Japan has already made it an obligation for vehicles of not only category M₁ but also part of category N₁ to be installed with a seat belt reminder. If Regulation No. 16 is adopted also for category N₁, vehicles of category N₁ without a seat belt reminder will have to be accepted. Therefore, category N₁ should be excluded.
