Proposal for Corrigendum 2 ~~amendment~~ to the 05 series of amendments to Regulation No. 16

A: Proposal

1.4 :Insert new footnote

1. SCOPE

This Regulation applies to:

...

1.4. Vehicles of categories M₁ with regard to safety belt reminder.**/

**/ Japan shall not be prevented, by the obligations of the Agreement to which this regulation is annexed, from requiring vehicles of category N₁ which are granted type-approvals under this regulation to meet its existing national requirements for safety-belt reminders.

B: Justification

Japan has already made it an obligation for vehicles of not only category M₁ but also part of category N₁ to be installed with a seat belt reminder. Therefore Japan need to maintain current requirement for N₁ after adopting this regulation in future.
