**MISCELLANEOUS PROPOSALS OF AMENDMENTS TO THE MODEL
REGULATIONS ON THE TRANSPORT OF DANGEROUS GOODS**

Addendum to ECE/TRANS/WP.15/AC.1/2009/17

Transmitted by the Government of Sweden

Background

Sweden has in document 2009/17 proposed amendments to section 5.4.2 concerning container packing certificate for carriage preceding maritime carriage. After further consideration we would like to present an alternative proposal which would be the most preferable solution in our point of view. The main part of the text reflected in this section is reproduced from the IMDG Code. Therefore, a reference to the Code is sufficient.

Proposal

Amend the text in section 5.4.2 “Container packing certificate” to read as follows:

“ 5.4.2 Container/vehicle (wagon) packing certificate

If the carriage of dangerous goods in a container or in a vehicle (wagon) precedes maritime carriage, a container/vehicle (wagon) packing certificate conforming to section 5.4.2 of the IMDG Code shall be provided to the maritime carrier.”
