**Amend the entry for 6.8.2.3.1 to read as follows:**

6.8.2.3.1            At the end, add the following sub-paragraph:

"The competent authority or a body designated by that authority may on request of the applicant carry out a separate type approval of valves and other service equipment for which a standard is listed in the table in 6.8.2.6.1, in accordance with that standard. This separate type approval shall be taken into account when issuing the certificate for the tank, if the test results are presented and the valves and other service equipment are fit for the intended use."
