### Economic Commission for Europe

#### Inland Transport Committee

#### World Forum for Harmonization of Vehicle Regulations

#### Working Party on Brakes and Running Gear

#### Seventy-fifth session

Geneva, 17-19 September 2013

Item 7(c) of the provisional agenda

#### Tyres – Other business

### **Proposal for corrigendum to Regulation No. 54 (Tyres for commercial vehicles and their trailers)**

#### **Submitted by the experts from the European Tyre and Rim Technical Organisation\***

The text reproduced below was prepared by the experts from the European Tyre and Rim Technical Organisation (ETRTO) to correct ECE/TRANS/WP.29/2012/49. The modifications to the existing text of the Regulation are marked in bold for new or strikethrough for deleted characters.

---

\* In accordance with the programme of work of the Inland Transport Committee for 2010–2014 (ECE/TRANS/208, para. 106 and ECE/TRANS/2010/8, programme activity 02.4), the World Forum will develop, harmonize and update Regulations in order to enhance the performance of vehicles. The present document is submitted in conformity with that mandate.

## I. Proposal

*Paragraph 3.1.12., amend to read:*

"3.1.12. The inscription "MPT" (or alternatively "ML" **or "ET"**) and /or "POR" if the tyre is classified in the category of use "special"."

## II. Justification

1. ECE/TRANS/WP.29/2012/49 that was adopted at the 157<sup>th</sup> session of WP29 includes an editorial mistake in paragraph 3.1.12:

*Paragraph 3.1.12., amend to read:*

"3.1.12. The inscription "MPT" (or alternatively "ML") and /or "POR" if the tyre is classified in the category of use "special".

ET means Extra Tread, ML stands for Mining and Logging, MPT means Multi-Purpose Truck and POR means Professional Off Road; 4/"

2. The "ET" inscription is missing, although the definition of "ET" is given in the line below.

3. The justification refers to ECE/TRANS/WP.29/GRRF/72,

"3.1.12. The inscription **"MPT"** (or **alternatively "ML" or "ET"**) **and /or "POR" if the tyre is classified in the category of use "special"**.

ET means Extra Tread, ML stands for Mining and Logging, MPT means Multi-Purpose Truck and POR means Professional Off Road; 4/"

as well as the original ECE/TRANS/WP.29/GRRF/2011/14:

"3.1.12. The inscription ~~"ET"~~ **"MPT"** (or **alternatively "ML" or "~~MPT~~"** ~~for "Special"~~**ET") and / or "POR" if the tyre is classified in the category of use tyres. "special"**.

ET means Extra Tread, ML stands for Mining and Logging, MPT means Multi-Purpose Truck and POR means Professional Off Road; 4/".
