Proposals for amendments to RID/ADR/ADN: new proposals

Chapter 3.3 - Special provision 250

Transmitted by the Government of Sweden

Introduction

1. In special provision 250 (assigned to UN 3315) there is a reference to packing instruction 623 in the ICAO-TI. Compared to the UN Recommendations, the reference in ADR/RID has been made more specific, leading to the precise section for the packing instructions for Class 6 in ICAO-TI. Special provision 250, point (a) (ADR/RID) reads:

“(a) It shall be packed according to packing instruction 623 in the ICAO Technical Instructions (see S-3-8 of the Supplement); and”.

2. However, due to restructuring of the ICAO-TI Supplement, section S-3-8 has been removed and the relevant packing instruction has been transferred to a new section, S-4-8. Therefore, the reference in special provision 250 (a) should be updated.

Proposal

3. Amend the reference to the relevant section in the Supplement to the ICAO Technical Instructions in Special provision 250 (a) (old text ~~stricken out~~; new text **bold and underlined**):

*“(a) It shall be packed according to packing instruction 623 in the ICAO Technical Instructions (see ~~S-3-8~~**S-4-8** of the Supplement); and”*

...the rest of special provision 250 remains unchanged.
