Amendment proposal for provisions of the 1968 Convention related to sub-class of Additional panels

Note by the secretariat

1. The Group of Experts on Road Signs and Signals requested the secretariat at its 12th session to propose amendments to the signs H, 3, H, 4 and other H section signs. These amendments should have been based on the outcomes of discussion following the review of Informal document No.1 of August 2017.
2. The secretariat produced an informal document No. 1 (November 2017) providing such an amendment proposal for the 13th session. However, due to time constraints, this document could not have been discussed by the Group of Experts. It is therefore resubmitted as ECE/TRANS/WP.1/GE.2/2018/2 to the current session.
3. The amendments are marked by strikethrough for text deletion and by bold for text addition.
4. The Group of Experts is expected to consider this document.
