

## Amendment proposals to Articles 3.14 and 7.07 (references to ADN)

### Transmitted by Austria

#### 1. Article 3.14, paragraph 7

Article 3.14, paragraph 7, refers to sections 8.1.8 and 8.1.9 of ADN:

The regulations for the certificates of approval from sections 8.1.8 and 8.1.9 of earlier editions of ADN, have been moved to para. 1.16.1 in ADN Edition 2017.

The paragraph should therefore be modified to read:

“7. Any vessel not required to carry the markings referred to in paragraphs 1, 2 or 3 above but which has been issued with ~~an approval certificate~~ **of approval** ~~in accordance with section 8.1.8~~ or a provisional certificate **of approval** in accordance with section ~~8.1.9~~ **1.16.1** of ADN, which conforms to the safety provisions for vessels referred to in paragraph 1 above, may, on approaching a lock, display the markings referred to in paragraph 1 above, when it wishes to pass through the lock with a vessel required to display the markings referred to in paragraph 1 above.”

#### 2. Article 7.07, paragraph 2(b)

Article 7.07, paragraph 2 (b), also refers to section 8.1.8 of ADN. This reference needs also to be modified accordingly. In addition, the reference to a provisional certificate of approval is missing here.

The text should therefore be modified to read:

“(b) Vessels not carrying this marking but issued with a certificate of approval **or a provisional certificate of approval** in accordance with ~~paragraph 8.1.8~~ **section 1.16.1** of ADN, and conforming to the safety requirements applicable to vessels referred to in article 3.14, paragraph 1.”
