7 August 2019

Joint Meeting of the RID Committee of Experts and the
Working Party on the Transport of Dangerous Goods

Geneva, 17–27 September 2019

Item 2 of the provisional agenda:

Tanks

Changes of the loaded products in tank-vehicles

Note by the secretariat

1. During the 106th session of WP.15 (13-17 May 2019), the representative of Switzerland presented a document to discuss the question of changes of the loaded products in tank-vehicles. The representative of United Kingdom transmitted comments on this document in informal document INF.18.

2. After discussion, the Working Party decided to transmit the documents to the Joint Meeting's Working Group on Tanks for consideration. The Working Party also invited delegations to consult the relevant professional organisations on their practices.

3. Document ECE/TRANS/WP.15/2019/9 (Switzerland) is available in English, French and Russian at:

<http://www.unece.org/trans/areas-of-work/dangerous-goods/meetings-and-events/unece-bodies/transmaindgdgdbwp15/working-documents/2019.html>

4. Informal document INF.18 (United Kingdom) from the 106th session of WP.15 is available at:

NOTE: The spelling mistake in 5.3.2.1.8, identified in informal document INF.18, would be dealt with through a corrigendum to the English text of ADR. There is no need to discuss this issue in the Joint Meeting.

5. The secretariat will inform the Working Party about the conclusions reached by the Working Group on Tanks on this issue.
