Note by the ITC Bureau and the secretariat

Summary

In implementing relevant decisions of the Inland Transport Committee at its eightieth session (ECE/TRANS/274, para. 17), the Bureau decided at its June 2018 session that two waves of consultations should be conducted with member States and Working Parties/Chairs, one between July-August 2018 and another in October 2018. The ITC Strategy until 2030, as contained in ECE/TRANS/2019/R.1, was cleared by the Bureau, which reached consensus on Draft 3 of the ITC Strategy until 2030 at its session on 29-30 November 2018. Furthermore, the Bureau decided to convene a meeting on 17 December 2018 chaired by the ITC Chair, to inform interested UNECE member States of the result of the consultations that led to Draft 3.

A detailed list of all sources of comments received by the secretariat until 6 November 2018, is presented in this document.
