Seventy-fifth session

Geneva, 8-11 October 2019

Item 5 (b) of the provisional agenda

Proposals of amendments to ATP: new proposals

Amendment to Annex 1, Appendix 3

Transmitted by the Government of the United Kingdom

Introduction

1. The informal working group on the improvement of the approval system has had a third meeting on the 23 May in Olching, several issues were discussed on how to improve the system of approval.
2. One such issue raised at the meeting was in the ATP certificate of Annex 1, Appendix 3 where we believe that there is a typo in the English text in sections 6.1.1 and 6.1.2 which reads the following in both.
"MARK, MODEL, REFRIGERANT, SERIAL NUMBER/YEAR OF MANUFACTURE (If any)"
3. Footnote 8 also has the same type as shown below
"Write the mark, model, refrigerant, serial number and year of manufacture of the equipment."

I. Proposed Amendment

4. We propose to amend the text as follows in 6.1.1. and 6.1.2. :
"~~MARK~~, MODEL, REFRIGERANT, SERIAL NUMBER/YEAR OF MANUFACTURE (If any)"
"**MAKE**, MODEL, REFRIGERANT, SERIAL NUMBER/YEAR OF MANUFACTURE (If any)"
5. We propose to amend the text as follows in footnote 8 :
"Write the ~~mark~~, model, refrigerant, serial number and year of manufacture of the equipment."

“Write the **make**, model, refrigerant, serial number and year of manufacture of the equipment.”

II. Impact

6. There is no financial impact, the change clarifies that the make is the manufacturer.
