Road Safety Performance Reviews

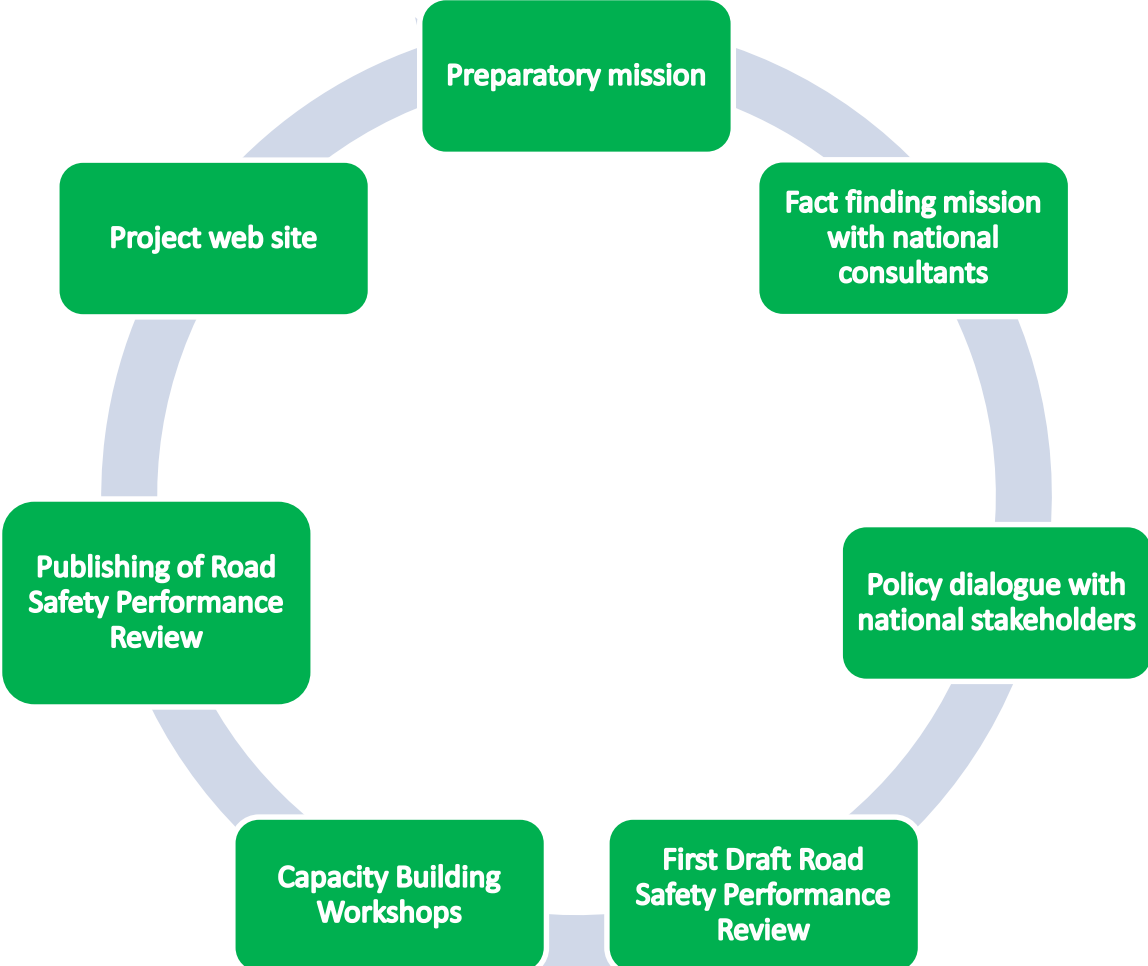

INLAND TRANSPORT COMMITTEE

- Describe current road safety situation and help Governments to identify the most critical road safety aspects and priority needs.
- National experts, UN Regional Commissions and international experts will analyze road safety situation, identify the most pressing road safety issues and come with recommendations.
- Based on priority needs identified in the Reviews, capacity-building seminars and workshops will be organized.
- Set-up national policy dialogue and raise public awareness on road safety.
- Publish RSPR reports in English and national languages.
- Prepare follow-up activities and monitor progress.

Road Safety Performance Reviews (II)

INLAND TRANSPORT COMMITTEE
