Fifth Ministerial High-Level Meeting on Transport, Health and Environment

26 – 27 November 2020, United Nations Office at Vienna

**Transforming to clean,
safe, healthy and inclusive
mobility and transport for
happiness and
prosperity for all**

(Draft title)

THE PEP

**Transport, Health
and Environment
Pan-European Programme**

**UNITED
NATIONS** 
ECONOMIC COMMISSION FOR EUROPE

 **World Health
Organization**
REGIONAL OFFICE FOR **Europe**

Fifth Ministerial High-Level Meeting on Transport, Health and Environment

26 – 27 November 2020, United Nations Office at Vienna

Results to be achieved:

- High-level attendance of states and ministers
- Strong link to SDGs and Paris Agreement
- Future THE PEP priorities – Launching THE PEP Decade 2020 – 2030
- Strengthen THE PEP as a pan-European policy platform, to accelerate the transformation of transport and mobility towards clean and healthy mobility and net-zero emission transport

Fifth Ministerial High-Level Meeting on Transport, Health and Environment

26 – 27 November 2020, United Nations Office at Vienna

Results to be achieved - Adoption of the Vienna Declaration with strategic visions, goals and actions including

Commitment to lead the transformation of transport and mobility to achieve our vision, focusing on:

(a) Social inclusivity and fair accessibility of mobility and transport;

(b) Improved living conditions in cities and regions [by integrating environmental and health policies and objectives into coordinated transport and spatial planning];

(c) Clean, low-noise and net-zero emission transport by implementing policies and actions for healthy, active and safer mobility;

(d) Directing investments, fiscal incentives and green finance initiatives towards sustainable transport to stimulate job creation and the economy;

(e) Implementing sustainable mobility management and services, employing appropriate technologies for clean, efficient, healthy and safe transport systems.

(f) Promotion of sustainable urban mobility including electric urban public transport, cycling, walking and integration in transport and spatial planning
