(c) The Bureau, together with the Working Group on Implementation with drawing up a needs-driven internationally supported assistance programme, comprising partnership arrangements, workshops, training sessions and/or exchange of experts, to help countries with economies in transition, in particular the countries of the Caucasus and Central Asia, in acceding to and applying the Convention;

6. Requests:

(a) The joint ad hoc expert group on water and industrial accidents to review, and provide further guidance on, the location criterion related to the water path contained in the Guidelines to facilitate the identification and notification of hazardous activities for the purposes of the Convention (ECE/CP.TEIA/2, annex IV, appendix);
