Economic Commission for Europe**Committee on Sustainable Energy****Thirty-second session**

Geneva, 13-15 September 2023

Item 9 (b) of the provisional agenda

Looking ahead: Future work of the Committee on Sustainable Energy:**Approval of documents****Revised publication plan for 2023 and draft publication plans for 2024 and 2025****Note by the secretariat***Summary*

United Nations publications are published in response to legislative mandates or requests by intergovernmental bodies (ST/SGB/2012/2, para. 2.4 (a)).

The present document makes reference to the already approved publication plans for 2023 (paragraph 79 of the report of the Committee on Sustainable Energy of its thirty-first session, ECE/ENERGY/143), to which the Sustainable energy subprogramme wishes to introduce some minor changes.

The titles of the publications provided in this document for 2024 and 2025 are preliminary titles. It was agreed at the thirtieth session that all publications issued by the Sustainable Energy Division will be in electronic format only.

The Committee on Sustainable Energy approved this document at its thirty-second session.
