

UN/LOCODE Maintenance Report

MAIN HIGHLIGHTS MAINTENANCE MEETINGS:

Positive points this year:

- Higher number of countries participating in the Maintenance meeting,
- New countries such as Indonesia , LAO PDR, Buthan
- New National Focal Points in Japan , LAO PDR, Germany
- Adhoc meetings to guide new NFP
- IMO and UPU representatives joining the meetings

Challenging Points:

- Many countries using an external excel to be added to the google sheet
- Last minute approvals before publishing
