Dear Ms Nikoforova,

**Nomination of Dr. Ingrid Chorus to the Compliance Committee of the Protocol on Water and Health**

With this letter I would like to nominate Dr. Ingrid Chorus as a candidate for the Compliance Committee of the Protocol on Water and Health. Dr. Ingrid Chorus would be a new member of this Committee, and she has communicated her interest in taking over this responsibility.

Dr. Chorus has wide experience with keeping water for human exposure safe for public health. She has been involved in the development of the concept of Water Safety Plans from the very beginning on, and she has broad experience in international collaboration, particularly throughout Europe. Moreover, she has shown very good communication skills on many occasions, including sensitivity to cultural differences between countries.

Thus I trust she would be a very useful member to support signature parties in reaching their goals, and I am very confident that she has the qualifications necessary to make her work in the Compliance Committee successful.

Yours faithfully,

I.A.

Dr. Birgit Mendel
