

Ms Zsuzsanna Kocsis-Kupper is the team member of Priority Area Water Quality of the European Union Strategy for the Danube Region (EUSDR). Ms Kocsis-Kupper further acts as an external monitoring consultant and regional coordinator of the European Commission's external monitoring team for LIFE projects in the Central- Eastern European countries since 2004. Ms. Kocsis-Kupper is a member of the Compliance Committee of the UNECE Protocol on Water and Health since 2011.

Ms Kocsis-Kupper was the legal advisor of the government in the Hungarian Prime Minister's Office between 2000 and 2002, when she was coordinating the government's legal activities concerning the Tisza-Szamos cyanide pollution. She was the alternate Hungarian delegate to the European Commission's Task Force. Between 1997 and 2000 she worked in the Ministry of Environment as legal expert and was a member of the delegation of the Hungarian Government at the Accession Screening Negotiations. Between 1994 and 1996 she was working in the international law firm McKenna –Verőci - Ormai.

Ms. Kocsis-Kupper gave lectures on environmental law and international environmental law in Eötvös Loránd University Law Faculty for postgraduate students between 2001 and 2013.

Academic background: 1991-1996 Doctor of Law (J.D) Eötvös Loránd University, Budapest; master's degree in European environmental management (MA) Vrije Universiteit Amsterdam and University of Amsterdam, EPCEM, 1997; Postgraduate Degree in environmental law with merit (LLM) Eötvös Loránd University, Budapest 1999; Legal Bar exam, 1999.

Her main area of expertise is European and international environmental law and management, focusing on water quality issues.
