Dear Ms. Lungu,  
Dear Ms. Radulescu,

**Re: Communication to the Aarhus Convention Compliance Committee concerning compliance by Romania with provisions of the Convention in connection with the proposed construction of a nuclear power plant and the approval of the Energy Strategy (Ref. ACCC/C/2010/51)**

We are writing to inform you that the Aarhus Convention Compliance Committee at its thirty-third meeting (27-28 June 2011), having considered the arguments of the Party concerned on 14 March 2011 and those of the communicant on 6 June 2011, confirmed that it would discuss the substance of communication ACCC/C/2010/51 at its thirty-fourth meeting, to be held on 20-23 September 2011 at the Palais des Nations in Geneva.

The discussion of the above communication is currently scheduled for Tuesday, 20 September 2011, **starting at 1:30 pm and concluding by 6.00 pm.**

In accordance with chapter IX of the annex to decision I/7 of the Meeting of the Parties to the Convention, both parties are entitled to participate in the discussion on the subject matter of the communication, though not in the preparation or adoption of any findings, measures or recommendations of the Committee.

According to the Committee's normal practice, the discussion of the communication, which will be held in open session, will be interspersed with at least one closed session in which the Committee will begin the process of preparing draft findings. It is envisaged that the first part of the discussion in open session will take the following form:

- introduction by the Chair;
- opening of the discussion by the curator for the case;

- concise presentations by the communicant and by the Party concerned, including possible joint proposals;
- questions from Committee members, responses from the Party concerned and the communicant;
- comments from other observers at the invitation of the Chair;
- final comments by the communicant;
- final comments by the Party concerned.

During the second part of the discussion (i.e. following the closed session), the Committee may pose additional questions to you or the Party concerned, or invite reactions to any tentative conclusions it has reached. Further details concerning the timetable for the discussions during the day will be provided nearer the time.

Should you or any other representative(s), as appropriate, wish to attend the meeting, the attached registration form should be completed for each participant and sent to the United Nations Economic Commission for Europe, attention of Ms. Maricar de la Cruz ([public.participation@unece.org](mailto:public.participation@unece.org)), by 6 September 2011. All participants are encouraged to cover their own costs as far as possible, but in case you would require financial support to cover travel and subsistence costs in order to be represented at the meeting, please notify the secretariat as soon as possible and in any case no later than 26 August 2011.

The Committee has indicated that the meeting should not be used as an occasion to introduce substantial amounts of information that could or should have been provided to it at an earlier stage, unless this is unavoidable (e.g. because it concerns very recent developments). Should you wish to present any (further) substantial written material related to the matter, you should take into account that where such information is received less than two weeks before the scheduled meeting, it is doubtful whether the Committee would be able to take it into consideration when it is discussing the matter, even where the information is provided in English.

Please do not hesitate to contact the secretariat if you require any further information concerning the meeting.

Yours sincerely,

---

Aphrodite Smagadi  
Secretary to the Aarhus Convention Compliance Committee
