Dear Mr Fauchald,

As you are no doubt aware, on 2 February 2015 the Government of Norway provided English translations of a number of documents.

The Chair of the Compliance Committee has asked me to seek your confirmation that all essential documents are now translated into English.

If there are any other documents that you consider it would be necessary to have translated into English in order for the Committee to properly consider the case, I would be grateful if you would, by return email, provide the links to the Norwegian version of these document(s) on our website.

Kind regards,

Fiona Marshall
