Subject: RE: ACCC/C/2014/100 (UK) - letter to Party concerned enclosing draft findings

Hi Fiona,

Thank you for sharing the findings on ACCC 100. To confirm, pursuant to paragraph 34 of the annex to decision I/7, the UK has no substantive comments that it wishes to make regarding the draft findings of the Compliance Committee.

We noticed a small typographical error contained in paragraph 18 of the draft findings where the reference to 11 January 2018, where the year should be a reference to 2019, but no further comments in terms of content from our side.

Kind regards,
Nikita
