Dear Fiona,

Communication to the Aarhus Convention Compliance Committee ("the Committee") concerning compliance by the United Kingdom in connection with the proposed construction of the "High Speed 2" railway (ACCC/C/2014/100) ("the Communication")

Further to our conversation, I have taken my clients instructions and if the Committee is minded to postpone the hearing my clients would make alternative arrangements so that it could take place in March 2016. That said they would still like the hearing to remain as scheduled for 15-18 December 2015.

If I can be of any further assistance do not hesitate to contact me.

Kind regards

Yours sincerely

Christopher Stanwell
