Dyddiad/Date: 14 August 2013

Dear Dr Miller,

I am writing in respect of your recent request for information (ATI 1446) under the provisions of the Environmental Information Regulations (EIR) (2004).

You requested NRW to provide you with information concerning the dune habitats and forest at the Newborough site within the Abermenai to Aberffraw dunes SAC.

Please see attached information in relation to the site. NRW holds a copy of 'Approaches to the selection of tree species and planning of future silviculture for the Newborough Forest' by Dr Scott Wilson. However, this report is not freely available and would need to be released under a restricted license.

We now consider that we have complied with your request. However, if you are dissatisfied with our response you are entitled to pursue this matter through our appeals procedure, a copy of which is below

Yours sincerely
