Subject: ACCC/C/2019/173 (Sweden) - overdue response to communication

Dear Cecilie,

Further to my email of 3 April, the Chair of the Compliance Committee has asked me to write to you regarding the fact that to date the secretariat has not received Sweden's response to communication ACCC/C/2019/173.

In case there has been a technical error in transmission, please re-send Sweden's response to the communication to the secretariat at aarhus.compliance@un.org forthwith, including your original covering email showing the date it was originally sent.

As you will be aware, the five-month deadline set in decision I/7 for Sweden to provide its response to the communication expired on 15 April 2020. By next Monday, Sweden's response to the communication will be two months overdue.

Accordingly, if Sweden has not in fact yet submitted its response to the communication, the Committee asks that you do so immediately.

Please do not hesitate to let me know if you have any questions regarding the above.

Kind regards,
Fiona
