Subject: RE: Following up with decision IV/9f of the Meeting of the Parties to the Aarhus Convention

Dear Ms. Marshall, dear colleagues,

In relation to our petition to the Spanish Federation of Municipalities and Provinces (FEMP) to circulate the information on fees through their website and other publications, we have recently been informed about the publication of a new issue of *Carta Local* (an internal FEMP's news bulletin for municipal entities) including a specific entry on the issue of urban planning and building fees.

The publication is available [here](#) (page 59)

Best regards,
