To Compliance Committee of the Aarhus Convention

Dear Sir,

In light of the decision by the Meeting of the Parties Decision IV/9f on compliance by Spain, we wish submit the following information.

After we received findings of the Compliance Committee in case ACCC/C/36, we sought justice at the office of the European Ombudsman on the issues identified by the Compliance Committee. Our complaint to the European Ombudsman related to maladministration by the European Commission which decided not to open a file upon our submission.

Just recently we received decision by the European Ombudsman, which in our opinion is relevant for review of the implementation of the Decision IV/9f. Find it attached in English. In particular, we draw your attention to the considerations contained in paragraphs 49-52 in relation to obligations under Article 3(8) of the Convention.
