**Subject:** FW: Decision V/9g (EU) - follow-up at the request of the ACCC

Dear Ms Marshall,

I refer to your email of 19 December addressing two follow-up questions to the EU in order for the Committee to finalize its second progress review on the implementation of decision V/9g. The European Commission is pleased to provide the following factual clarifications on the two points:

- 1°) Attached to this email are the letters sent to each Member State on 14 October 2015.
- 2°) The Czech Republic and the Republic of Portugal have both amended their NREAPs in 2013. No other Member State is known to be currently doing so.

Best regards,

**Robert KONRAD**
