Subject: RE: Decision V/9i (Kazakhstan) - request for brief update

Dear Sebastian Bechtel,

the draft Order of the Rules of Public Hearings hasn't been adopted yet because recently Accredited companies sent us their suggestions and comments. So we have to agree with them a final version including their suggestions. Then we need to send the final version to the Ministry of Justice, which will take a month time. In total, we need another 2 or 3 months to adopt the Order.

Thanks,

Gulshat, Ministry of Energy.
