Dear Ms. Marshall,

The Ministry of Energy of the Republic of Kazakhstan (the Ministry) appreciates cooperation with the Secretariat and informs that the Law of the Republic of Kazakhstan "About amendments and additions to some legislative acts of the Republic of Kazakhstan on environmental issues" (including the Aarhus Convention) was signed by the President of the Republic of Kazakhstan April 8, 2016 for № 491-V LRK.

The Ministry sends articles 57, 57-1, 57-2 of the Environmental Code of the Republic of Kazakhstan in the Russian language according to your request.

Now we are on the process of translating of these articles in English. It will take about 1-2 days.

If you have any questions please don't hesitate to contact with me.

Sincerely, Saule TASHKENBAYEVA
