Importance: High

Dear Fiona and colleagues,

Kazakhstan thanks the Compliance Committee for considering request of 14 May 2020 for advice on whether carrying out public hearings through video conferencing during the coronavirus pandemic would meet the requirements of the Convention.

In reference with your recent letter, Kazakhstan reviewed the main stages of the the Committee's procedure.

Kazakhstan confirms request for advice can be published on the Committee's website in accordance with the Committee's procedures.

We expect to receive recommendations from the Committee as soon as possible.

We hope this message finds you well and healthy despite these exceptional times.

Kind regards,

Altyn Balabayeva
